EB CHARITY FOUNDATION

Love, Hope and Salvation

Our Mission

EB Charity Foundation endeavors to unleash the potential of vulnerable children to succeed in life through providing environment that care, livelihood skills and community development services. Child development and empowerment are our core fundamental work.

Our PROGRAMS

Menstrual Hygiene

This program creates an awareness in the orphan and vulnerable children (OVC) to know the appropriate information and facts during the menstruation which can enable them to be hygienic

Education Support

This program helps OVC with school materials such as uniforms, tuition fees, shoes, exercise books, pens and other school necessities.

Outreach Program

This program focuses on reaching out to the orphan and vulnerable children based on the need we have identified, for instance, if we notice most kids don't have shoes, then we will plan to have an outreach for shoes. During our outreach program thus where we reach out to the kids with our message of Salvation, Hope and Love.

Feeding Program

This program is mainly designed to support OVC under our EB Charity Foundation community school project, by giving them free meals every Friday's because mostly of the kids usually comes to school on empty stomach and this makes their level of concentration to be low.

Mentorship Program

This program encompasses all aspects of life, where kids are mentored in Spiritual, intellectual, social, moral and disciple in the way of the Lord. This program happens every Saturday and we coach the kids on all aspect of life and not forgetting the most important thing making them the disciple of our Lord and Savior Jesus Christ.

Discipleship Program

This program focuses on evangelism and soul winning for the kingdom of God. Baptising those who accept Jesus Christ as their Lord and Savior.

Youth & Women Empowered

This is our futuristic program we are yet to implement in empowering the vulnerable youths and women with skills, trainings, saving, small business etc. in various communities within Lusaka Province.

OUR VISION

EB Charity Foundation envisions a society where all children enjoy secure, healthy, enlightened lives and responsive environment that promote their social, economic, cultural and moral development by providing a home orphanage for them.
